

# CALLIE

**"Callie is perfect!  
Beautiful, friendly  
and playful. Likes  
other dogs and will  
walk with you to the  
moon and back!"**

Callie was a favorite at the local shelter where she was pulled by Adopt a Homeless Animal Rescue! Very social and very friendly, Callie has a lot of youthful energy considering her 7 years of age. She is a sweet dog who would love to get out of her boarding kennel and into a loving home! Either a foster or furever situation would be great, she is guaranteed to include an endless amount of unconditional love!
